PAUL ROSE

Paul Rose was born in Newcastle in 1966 and is, without doubt, one of the most unique and talented guitarists in the world today.

Fundamentally a rock guitarist, his extraordinary playing style touches on blues, country, jazz and folk, blended together into a style that is entirely his own.

Never a gig goes by where audience members don't comment that Paul is the best guitarist they've seen and heard.

Paul has played in the New York area with US versions of the Paul Rose Trio, featuring Richie Morales (Spyra Gyra, Al Demeola, The Brecker Brothers) and Mark Egan (Pat Metheny Group, David Sandborn, Gil Evans). With a weekly residency at the Bitter End in Greenwich Village and gigs at the Iridium and B.B. Kings.
